Civil Construction Industry Awards

The civil construction industry will be converging on Canberra for the 2018 Civil Contractors Federation National Earth Awards Gala Dinner on Friday 16th November 2018.

Civil Contractors Federation National President Mr Michael Unger confirmed “this is an open event to CCF members, industry, government officials and the media. The Civil Contractors Federation is proud to invite you to attend this year’s event.”

Celebrating its 25th year, the highly prestigious 2018 CCF National Earth Awards will once again recognise excellence in civil construction across Australia with finalists representing all States and Territories.

The Awards night is a ‘Black Tie’ affair and will be held in the magnificent ‘Great Hall’ of the Australian Parliament”, Mr Unger said.

About the Civil Contractors Federation

The Civil Contractors Federation (‘CCF’) is the peak employer body representing over 2,000 companies engaged in civil construction in every jurisdiction of Australia. CCF Members are responsible for the construction and maintenance of Australia’s infrastructure, including roads, bridges, pipelines, drainage, ports and utilities. CCF members also play a vital role in the residential and commercial building construction industry by providing earthmoving and land development services including the provision of power, water, communications and gas.
