PEAK INFRASTRUCTURE BODY CONGRATULATES ANTHONY ALBANESE

The Civil Contractors Federation (CCF) today congratulated Anthony Albanese on his elevation as the new Federal Leader of Australian Labor party.

CCF National Chief Executive Officer Chris Melham said his organisation looks forward to working with Mr Albanese and his team to ensure the infrastructure election commitments announced by the Government in this year's Federal Budget and the recent Federal Election are delivered on time and on budget.

"Mr Albanese is no stranger to the Infrastructure sector having held both the ministerial and shadow ministerial portfolios for many years placing him in a very strong position to work collaboratively with industry and the government to ensure much need infrastructure policy reforms are addressed as a matter of priority.

"CCF welcomes the opportunity to work with the Opposition to deliver further reform in the following 5 policy areas:

- *Infrastructure Investment and Funding*
- *Efficient, Equitable & Competitive Procurement*
- *Skill Development and Training*
- *Industrial Relations*
- *Protecting & Enhancing the Viability of Civil Industry Businesses*

About the Civil Contractors Federation

The Civil Contractors Federation (CCF) is the peak employer body representing over 2,000 companies engaged in civil construction in every jurisdiction of Australia. CCF Members are responsible for the construction and maintenance of Australia's infrastructure, including roads, bridges, pipelines, drainage, ports and utilities. CCF members also play a vital role in the residential and commercial building construction industry by providing earthmoving and land development services including the provision of power, water, communications and gas.

Constructing Australia's Infrastructure
