Civil Contractors Federation National - 2020-2021 Budget Brief

1. Economic Highlights

- Budget deficit is \$213.7 billion in 2020-2021
- Economy forecast to fall by 3.75 per cent in 2020
- Unemployment is forecast to peak at 8 per cent in the December 2020 quarter
- Establishment of a new JobMaker hiring credit - payable for up to twelve months and immediately available to employers who hire those on JobSeeker aged 16-35
- Expanded asset write off incentives and new loss carry back measures

2. Infrastructure Investment

The Federal Government has announced:

- an additional \$7.5 billion for road and rail infrastructure projects in the 2020-2021 Budget (see **Attachment A** for a break down of new and additional funding commitments). The \$7.5 billion investment includes new projects in each jurisdiction as well as additional funds for existing projects, and in most cases, requires matching funds from the respective State or Territory Government.
- an additional \$2 billion investment in road safety measures as part of a new Road Safety Program.
- an additional \$1 billion under the Local Roads and Community Infrastructure Program in addition to \$500 million announced in June 2020.
- \$2 billion in new funding to build water infrastructure including dams, weirs and pipelines.
- The Commonwealth's investment in infrastructure since the outbreak of COVID 19 is approximately \$14 billion.

3. Apprentices

The Federal Government has announced a \$1.2 billion package in the 2020-2021 Budget to support the hiring of apprentices. The package is in addition to the previously announced \$2.8 billion Supporting Apprentices and Trainees wage subsidy to help employers to retain their apprentices and trainees.

Under the package employers will be eligible for 50 per cent of the wages for a new or recommencing apprentice or trainee for the period up to 30 September 2021, up to \$7,000 per quarter. The subsidy will be available to employers of any size or industry, Australia-wide who engage an Australian apprentice or trainee from 5 October 2020 until the 100,000 cap is reached.
